### ANNOUNCEMENTS

#### **KSA Social Media Consent Form**

KSA publicly celebrates contact events, the school and student success on our social media pages. It is the school's usual practice to take photographs and video of students at contact events, patrols and other school events.

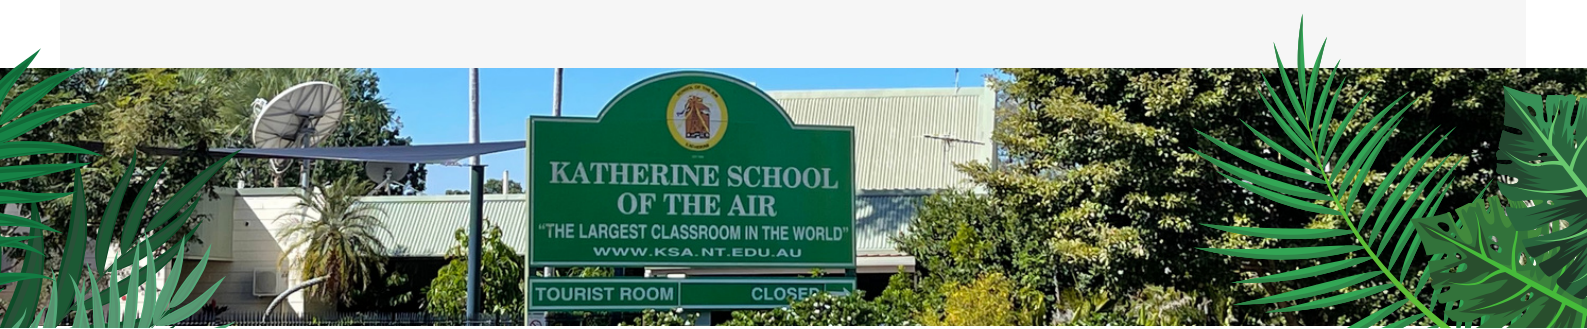

The KSA media consent form enables family's to identify if they wish for their child/rens photos, names and school work to be featured in the schools social media pages.

We ask all families continuing for 2023 to complete the attached Social Media Consent forms by Week 8.

#### **Disenrolling End of Year**

If your family is looking at disenrolling at the end of the school year we ask that you notify the school as soon as possible by emailing [ksa.administrator@education.nt.gov.au](mailto:ksa.administrator@education.nt.gov.au)

Early notification enables disenrolment forms to be completed and lists of resources to be returned.

# FEATURE

## Year 8

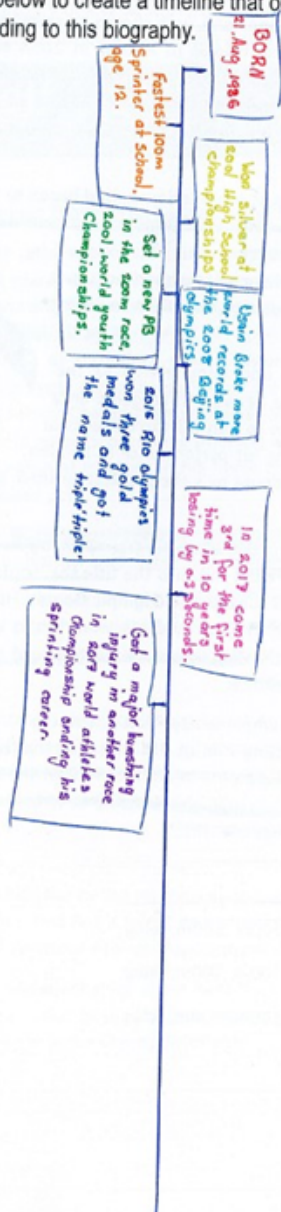

Year 8 students have been busy studying “Informative Texts” demonstrating their knowledge and understanding of WHY Timelines are an important feature in understanding the chronology and context of a person’s life events.

In History we have been looking at “Japan Under the Shoguns” with lots of interesting facts about Samurai and Ninjas’s as well as studying Timelines again.

Lots of students have been busy uploading their work on time – which is great to see.

### Activity 7: Chronological Order continued

3. Use the space below to create a timeline that outlines the significant events in Usain Bolt's life, according to this biography.

# \$20.00 BOSS

As part of the \$20 boss unit, Year 8 students were given \$20 and had to come up with a business idea and do all the groundwork to get their business going.

Madi and Ada have worked very hard on their business coming up with designs, marketing, taste testing and purchasing what they need to start. Please support Madi and Ada in their entrepreneurial journey and check out the products they have come up.

Madi's Mad Munchies is supporting local business and the environment by drying locally grown fruit. She has dried mangoes, bananas and mulberries for sale at \$7 for a mixed bag, or \$5 for a single pack.

Ada is on mission to cut down on plastic and has designed and hand painted her own cotton bags. At \$10 each and 4 gorgeous designs to choose from, they are the perfect alternative for shopping bags and will make great Christmas presents.

Order forms are attached, and payment can be made directly to KSOA through bank account or over the phone. Order cut off is Friday 18th November and orders will be sent out via mail or can be picked up from school reception.

Thank you for your support.
